Meltique Beef Striploin

Meltique Beef Striploin is the most popular product in the Meltique Beef range. This product can be used for all types of cooking methods. The Striploin is one of the most versatile products from the Meltique Beef range. Meltique Beef Striploin is trimmed of excess back fat to a depth of 15mm, this means that you will save time and money in the kitchen with little or no yield loss.

As with all Meltique Beef products our patented marbling process ensures that all of the natural juices are retained making Striploin one of the most popular options for a wide range of dishes.
